### Objective

I am a passionate and self-taught graphic designer and video editor currently pursuing a Bachelor of Technology in Computer Science and Engineering with a specialization in Artificial Intelligence. I aim to bring creative solutions through design and video editing, leveraging my skills in tools like Photoshop, After Effects, Premiere Pro, and Canva. Looking for opportunities to apply my creative expertise in graphic design and video editing.

---

### Education

**Bachelor of Technology in CSE (AI)**  
Techno India University, West Bengal  
*Expected Graduation: 2026*

---

### Skills
